

## The Event Space at North Country

Our back-room at North Country is separated from the main tasting room by a glass wall with a door, serving as extra seating with a view into the production area. The public has access to this space for the two bathrooms located along the northeast wall. Due to the separation from the main tasting room, our back-room serves as an ideal space for small gatherings and celebrations.

**\*NOTE:** We can provide seating for 30 people in the back-room. If your party is 41-50 guests, you're welcome to bring in extra chairs and tables. There is a 3-hour maximum during our hours of operation for all reservations. If you'd like to start or end your reservation outside of our open hours (Wed-Sun, 12-7pm), there is an additional \$250 fee.

## Payment

Payment for the room reservation can be paid the day of your event. Checks are preferred and should be made payable to *North Country Hard Cider*. If you'd like to pay with a credit card, a 3% fee will be added.

## Beverages

Drinks are **\$3–8+ per glass (gratuity not included)**, and can be ordered directly from the bar. We are happy to set up a separate tab for your party during the agreed rental time. We typically have 15 different hard ciders on tap, as well as a non-alcoholic Cider Seltzer and filtered water. Outside beverages are not allowed.

## Food

You are welcome to bring your own food or have your event catered to our space. Additionally, we have potato chips and popcorn available for purchase in the tasting room. If we have a food truck scheduled, your party can purchase food from the vendor.

## Trash

As you're welcome to bring in your own party wares and food for your reservation, we do ask that you clean up after your party within the timeframe of your scheduled event. Trash receptacles will be provided in the space for your use.
